Life Rising™ to Higher Well Being

FIRST DEFENSE

Cold Style (pink box)

According to traditional Chinese medicine (TCM), cold and flu are caused by the external pathogen Wind combined with Cold or Heat. Proven through hundreds of years of development and use, FIRST DEFENSE (cold-style) is highly effective at helping to clear external Wind-Cold, particularly when taken at earliest onset.

According to TMC, external Wind-Cold is characterized by a clear running-nose, chills, pale complexion, and a tight pulse plus other common cold symptoms.

FIRST DEFENSE

Heat Style (green box)

According to traditional Chinese medicine (TCM), cold and flu are caused by the external pathogen Wind combined with Cold or Heat. Proven through hundreds of years of development and use, FIRST DEFENSE (heat-style) is highly effective at helping to clear external Wind-Heat, particularly when taken at earliest onset.

According to TMC, external Wind-Heat is characterized by a sore throat, burning and itching eyes, and a rapid pulse plus other common flu symptoms.

COOL VIRAL FIRE

(blue box)

According to traditional Chinese medicine, most viral infections are related to toxic fire. Used throughout China, the herb **Ban Lan Gen** (Dyer's-Wood), is highly effective at dispelling toxic fire and cooling toxic heat. New advances in the manufacturing process of this herb help us bring you the finest quality available. In this formula, COOL VIRAL FIRE, we have combined **Ban Lan Gen** with four other herbs that complement and strengthen its effectiveness.
