Skin-E™ Seaweed Solution

In ancient times, Chinese women used seaweed in their bath for weight control.

Skin-E™ Seaweed Soap is made of rare elements naturally found in seaweed and tropical plants, for maintaining body moisture, exfoliating dry skin, and slimming the body.

Skin-E™ Seaweed Cream consists of highly concentrated seaweed extracts and Chinese herbs for reducing body weight, and keeping skin fresh, soft, and supple.

Skin-E™ Seaweed Spray contains natural weight-control ingredients—Citrimax™ and seaweed extracts—as well as many herbal nutrients to reduce body fat and increase mental alertness.

Skin-E™ Seaweed Products can help burn body fat naturally, comfortably, and permanently.

All products can be ordered directly or from your local distributor.
