SPECIFICATIONS:

- Body height/weight: 78cm/4.5kg
- Far-Infrared ray source material: Bio-ceramics
- Far-Infrared emitting range: 5 μ ~ 50 μ
- Power Source: AC 110V / 60Hz
- Power Consumption: 150 watt
- Power Indicator: CE standard green light on/off switch.
- Timer control: Adjustable 1 hour/max.
- Heat control: Adjustable 350°C/max.
- Heat protection designs.

WARNINGS:

Do not apply the device under the following conditions:

- ⊗ Contagious disease
- ⊗ Acute disease
- ⊗ Hemorrhage
- ⊗ Fever
- ⊗ Pregnant woman's abdominal region and waist.
